**RE: ADMINISTRATIVELY EXTENDED PERMIT
Soil Safe Foxley Road
7401 Foxley Road, Upper Marlboro
Prince George's County, Maryland
Oil Operations Permit Number 2017-OPS-153473**

Dear Mr. Morris:

Please be advised that the Maryland Department of the Environment received a renewal application on November 5, 2021 for the referenced facility. The application was received at least 90 days prior to the current permit expiration date of February 16, 2022. Therefore, the current Oil Operations Permit (2017-OPS-153473) is administratively extended and remains in effect until the issuance of the new permit. The permit application is under review and the new permit will be issued in the future.

If you have any questions, please contact me (410-537-3470 or chris.ralston@maryland.gov), or Mr. Juraj Masiar (410-537-3412 or juraj.masiar@maryland.gov).

Sincerely,

Christopher H. Ralston, Program Manager
Oil Control Program
