CERTIFICATE #00169

This certificate is not a representation, warranty, or guarantee of product performance or certification of code compliance. For details of the product warranty, consult the product manufacturer.

NGBS Green Certified Product Report #NGBSGCP-00169

Products: SmartBase Hybrid - Recycled Paving Sub-base and Engineered Materials

Manufacturer: SmartSite, LLC distributor for SoilSafe, Inc. Recycled Materials

The product(s) shown on this report have been independently verified as eligible products for use in achieving points toward project certification under ICC-700 National Green Building Standard. Home Innovation Research Labs authorizes accredited verifiers to award points toward certification without additional documentation when the product(s) is used as noted below.

2012 NATIONAL GREEN BUILDING STANDARD			
PRACTICE #	PRACTICE DESCRIPTION	POTENTIAL POINTS AVAILABLE	ADDITIONAL CONDITIONS OF USE TO AWARD POINTS
2012 NGBS 403.10(2)	Recycled asphalt or concrete is utilized in the project	3	Three points are awarded for every 10% of the total building materials used in the development of the land that is the SmartBase product.
2012 NGBS 604.1(1)	Building materials w/ recycled content are used for at least 2 major or two minor components of the building.	1-6	Points awarded for 2 products w/ recycled content. This product is greater than 75% recycled content. This product and another product with at least 75% recycle content must be used for major components of the building. Lesser points available for lower recycled content in the second product or for use in minor components.
2012 NGBS 610.1.2	A more environmentally preferable product selected based upon a Life Cycle Assessment (LCA).	10 Max	The LCA information available at http://smartsitemanagement.com/Rrecycled.html must be used in the product selection process.

2015 NATIONAL GREEN BUILDING STANDARD			
PRACTICE #	PRACTICE DESCRIPTION	POTENTIAL POINTS AVAILABLE	ADDITIONAL CONDITIONS OF USE TO AWARD POINTS
2015 NGBS 403.10(2)	Recycled asphalt or concrete is utilized in the project	3	Three points are awarded for every 10% of the total building materials used in the development of the land that is the SmartBase product.
